### Food Cost

Our chef can help you create your ideal menu.  
Each option is quoted for separately.

### Beverages

Unfortunately, La Vue does not currently sell liquor on a cash bar basis. We can assist you with the above in a number of ways:

You are welcome to supply your own alcoholic beverages that will be distributed by our bartenders. A corkage fee applies.

- La Vue can buy the above on a consignment basis, in which instance we charge 30% levy.
- La Vue can acquire a day licence in which instance liquor can be sold. There would however be a required minimum bar bill.

### Payments

A deposit, equal to the venue fee as per your choice of venue, is required to confirm and secure your function date. The date will only be confirmed once the proof of payment is received.

**This deposit is not refundable if the booking is cancelled.**

The second payment of 50% of the remaining account is strictly payable 30 days prior to your function date.

1. The third payment (the balance of the account) is due 15 days before the function date.
2. All charges incurred during the function, including breakages and losses are to be paid in full on
3. Payments can be made electronically.
